DBQ Outline

Introduction

Topic Sentence (Big Context)	
Evidence (Describe)	
Analysis (Support)	
Thesis Statement (X, because A, B, and C).	

Body Paragraph #1

Topic Sentence (A from your thesis statement)			
	Evidence (Describe)	**Analysis (Support)**	****HAPP Statement + Y Support**
Evidence #1			
Evidence #2			
***Evidence #3			
*Outside Evidence			

Body Paragraph #2

Topic Sentence (B from your thesis statement)			
	Evidence (Describe)	**Analysis (Support)**	****HAPP Statement + Y Support**
Evidence #1			
Evidence #2			
***Evidence #3			
*Outside Evidence			

*You only need one outside evidence. Choose which paragraph you wish to put it into.

**You only need to source 2+ documents. Remember to always do extra to ensure you get the point.

***You may not use 3 documents in a paragraph, but you need to use at least 2 documents in each paragraph.
